Every Flexbar product is born out of real-world experience.  
We know what works, what doesn't, and how to make life easier for the people who need reliable, flexible solutions that can keep up with the fast pace of events and the hospitality world.

Made in Sweden, our bars and trolleys aren't just about looking good – they're built to last, adapt, and deliver, no matter the setting.

We've seen it all, and we've poured that knowledge into creating products that help event and hotel pros everywhere pull off amazing experiences.

**Flexbar isn't just another product –  
it's a game-changer.**

## Made in Sweden Craftsmanship Meets Innovation

At Flexbar, we proudly manufacture our mobile bars and trolleys in Gothenburg, Sweden. Our commitment to quality, flexibility, and cutting-edge design is reflected in every product. We constantly push boundaries, ensuring our bars and trolleys not only meet the highest standards but also stay ahead of the industry.

### Flexibility

Flexbar mobile bars can be assembled in just 30 seconds without the need for tools or loose parts. When not in use, they fold down to a fraction of their size for convenient storage. Designed for versatility, these bars can function as wine bars, check-in desks for conferences, and much more, both indoors and outdoors. With smart solutions like magnetic fronts for easy branding and adjustable ice bucket holes, Flexbar adapts to your needs seamlessly.

### Sustainability and Innovation

At Flexbar, we are committed to sustainability. Our products are made from recycled materials, and we work with local suppliers to reduce our carbon footprint. We believe in building products that last, and our bars and trolleys are designed to be easily dismantled and recycled at the end of their life cycle.

## Customization Options

Our mobile bars can be customized with a variety of materials to match your design preferences. Magnetic foil panels allow for easy rebranding, transforming the bar from a morning coffee station to an evening aperitif setup with minimal effort. With numerous foil options, including sleek metallic finishes and vibrant colors, you can create a unique look for any occasion. Whether you're hosting a corporate event, a wedding reception, or a casual gathering with friends, our customizable bars ensure that your setup reflects your style and sets the perfect ambiance.

### **Design Stainless Steel Plates:**

Elevate the aesthetics of your bar with sleek and modern stainless steel plates, adding a touch of sophistication to any event.

### **Ribbon-Wood:**

Embrace a natural and rustic look with ribbon-wood finishes, combining the warmth of wood with the versatility of modern design.

### **Magnetic Foil on Galvanized Steel:**

Easily rebrand your bar with magnetic foil panels on galvanized steel, allowing for seamless transitions between different themes and occasions.
